# 5MP Wi-Fi PT Camera

## SC-IW510TP-W

### Key Feature:

- Wi-Fi 360* Camera - 10 Mtr.
- 1/3" CMOS Image Sensor
- 3.6mm Lens
- H.264 Video Compression
- Wi-Fi Support
- 5 MP High Resolution
- IR Distance of 10 Mtr.
- Human Detection
- Auto Tracking

## Wi-Fi Support

To eliminate the hassle of cables and switches, this camera has been wifi enabled which makes it easier and better to conduct surveillance of any closed space.

## Smart Human Detection

Human Detection Alert technology allows you to get immediate alerts as soon a single Human is detected in the scene. This feature has reduced the effort put in surveillance by copious amounts and has eased the life of millions.

# Human Detection camera Tracking

Human Detection Alert technology allows you to get immediate Camera Move to Human is detected in the scene. This feature has reduced

## Nothing will be missed

This camera has been designed to catch everything in a room as it can be revolved completely to 360°, making it easier to just turn it or place it in any direction that requires more attention

## View and Talk
The most advanced feature of this surveillance device is that it can also be used as a gadget to interact with people when you are not in the same place without even having to place a call.

## Product Specifications:

| | |
|---|---|
| Sensor | 5MP pixel, CMOS sensor |
| Compression | H.264 |
| Image Sensor | 1/3" CMOS sensor |
| Minimum Illumination | Color 0.01 Lux @F1.2 Black and White 0.001Lux@F1.2 |
| Shutter Speed | 1/50~1/10,000 per second |
| Encoding format | H.264 encoding, support dual stream |
| Image Resolution | Mainstream: 5MP(2592*1944), 1920*1080,1280*720 ;  Auxiliarystream: 704*576, 352*288 |
| Wi-Fi Range | 50m (Open Area) |
| Reset | Support |
| Pan/Tilt Angle | Tilt: -10°~75°; Pan: 0~355° |
| IR distance | IR LEDs up to 10 meters |

| | |
|---|---|
| Recording Method | Event Recording/ Continuous Recording |
| Audio Communication | Two-way audio |
| Wireless | IEEE802.11b/g/n |
| Frequency | 2.4 GHz ~ 2.4835 GHz |
| Minimum Illumination | Color 0.01 Lux @F1.2 Black and White 0.001Lux@F1.2 |
| Shutter Speed | 1/50~1/10,000 per second |
| Stream | Dual |
| IR | High Power LED with ICR |
| WDR | DWDR |
| Bit Rate | 32Kbps~2Mbps |
| Resolution | 5MP(2592*1944) |
| Lens | 3.6mm lens |
| View Mode | HD & SD |
| View Angle | 100° |
| Storage mode | Support SD card (Max 128GB) |
| Motion Detection | Support |
| Push Notification | Support |
| Power Supply | 5V, 1A |
| Power Consumption | 5W Max |
| Working temperature | -5°C~55°C |
